GENERAL INFORMATION

The Kentucky General Assembly in 2019 passed new laws that have changed the registration process and who has to register. Please pay close attention to the guidance provided in this Handbook.

The following is an informational guide to the portions of the Executive Branch Code of Ethics (“Ethics Code”), KRS Chapter 11A, that apply to Executive Agency Lobbying. Please review KRS Chapter 11A and Chapter 9 of the Kentucky Administrative Regulations (Appendices A & B) for further information. The Executive Branch Ethics Commission (“Commission”) is charged with administering the executive agency lobbying process.

The purpose of the executive agency lobbying law is to provide transparency to the public to reveal the persons or entities that are making a significant effort to influence public policy as it relates to the expenditure of state funds as well as state budget provisions, executive orders, administrative regulations or rules, legislation or amendments thereto and other public policy matters that financially impact those persons or entities. The executive agency lobbying laws only apply to attempts to influence decisions and officials at the state level of the Executive Branch.

The requirements addressed in this publication do not apply to activities involving attempts to influence the decisions of the Legislative or Judicial Branches or county or city officials. To learn about the rules that apply to local government officials, please see the Department for Local Government’s website and click on Ethics Ordinances:

Executive Agency Lobbying vs. Legislative Lobbying

If you are attempting to promote, advocate, oppose, or otherwise influence the outcome of an executive agency decision through contacts with officials of the executive branch of state government on behalf of an employer or real party in interest for compensation, you are conducting executive agency lobbying activity and must register as an Executive Agency Lobbyist with the Executive Branch Ethics Commission. If you are attempting to promote, advocate, or oppose the passage, modification, defeat, of any bill, resolution, amendment, nomination, and any other matter pending before or acted upon the Kentucky General Assembly by making contacts to legislators, then you are conducting legislative lobbying and you must register as a legislative agent with the Kentucky Legislative Ethics Commission, which you should contact for further information:

Legislative Ethics Commission
#22 Mill Creek Park
Frankfort, Kentucky 40601
(502) 573-2863
<https://klec.ky.gov>

The distinction between the two types of lobbying is based upon subject matter and whom you will be contacting; therefore, when deciding whether to register as a legislative agent or an Executive Agency Lobbyist you should determine *what* you will be attempting to influence and *whom* you will be contacting to attempt to influence. In some cases, registration with both Executive Branch *and*

Legislative Ethics Commissions may be required.

What is Executive Agency Lobbying?

The executive agency lobbying law requires that people, organizations or other groups who expend funds or receive compensation to influence an executive agency decision must register with the Executive Branch Ethics Commission (“the Commission”). An **executive agency decision** means a decision of an executive agency regarding the expenditure of state funds with respect to the award of a contract, grant, lease, the inclusion or deletion of items in the executive branch state budget, entitlement programs, or other financial arrangement under which state funds are distributed or allocated. An **executive agency decision** also includes executive agency decisions made concerning the following, if such decisions will “financially impact” the Executive Agency Lobbyist or his or her employer or client:

1. The parameters of requests for information and requests for proposal;
2. Drafting, adopting or implementing a budget provision;
3. Administrative regulations or rules;
4. Executive orders;
5. Legislation and amendments to legislation or
6. Other public policy decisions.

KRS 11A.201(7) and (16).

Who Should Register as an Executive Agency Lobbyist, Employer, or Real Party in Interest?

Whether a person should register as an *Executive Agency Lobbyist* is determined by the person's activity. An Executive Agency Lobbyist is any person who is engaged to influence executive agency decisions or to conduct executive agency lobbying activity regarding a **substantial issue** as one of his or her **main purposes**. This also includes associations, coalitions, or public interest entities formed for the purpose of promoting or otherwise influencing executive agency decisions. If the advocacy by direct communication regarding an executive agency decision is directed to the office of an elected executive official, a cabinet listed in KRS 12.250, an executive branch official, or any other state agency, department, board, or commission controlled or directed by an elected executive official or otherwise subject to their authority, and the person is attempting to influence an executive agency decision, then the person engaged in such advocacy is an Executive Agency Lobbyist. The term “Executive Agency Lobbyist” shall also include placement agents and unregulated placement agents. KRS 11A.201(4), (7), (8), (16), and (17).

SUBSTANTIAL ISSUE DEFINITION: The question often arises what does the phrase "regarding a substantial issue as one of his or her main purposes" mean. In other words, at what point have you performed sufficient activity to warrant registration as an Executive Agency Lobbyist? As a rule of thumb, if you have made direct contacts during a calendar year with an executive agency official, for the purpose of influencing an executive agency decision that would result in the expenditure of state funds of at least \$5,000 per year or any budget provision, administrative regulation or rule, legislative matter or other public matter that would financially impact your client, you are required to be registered as an Executive Agency Lobbyist. KRS 11A.211(16).

ATTENTION

Former Executive Branch Employees, Commonwealth of Kentucky

An **employer** means any **person** who employs or engages an Executive Agency Lobbyist.

Who is a Real Party in Interest?

A **real party in interest** is the person or organization on whose behalf the Executive Agency Lobbyist is acting, if that person is not the employer.

KRS 11A.233(1).

WHEN IN DOUBT ABOUT WHETHER TO REGISTER, PLEASE DIRECT YOUR QUESTIONS TO THE STAFF OF THE EXECUTIVE BRANCH ETHICS COMMISSION BY CALLING 502-564-7954.

Is There a Registration Fee?

A **\$500 fee** is due during the UPDATE period and upon TERMINATION. Do not submit the fee when filing the Initial Registration Statement.

UPDATE PERIOD: Each employer of one or more lobbyists, and each real party in interest, must pay a registration fee of **\$500** upon the filing of an ***Updated Registration Statement due between July 1 and July 31*** of each year. The registration fee may be paid using a check, credit card, money order, or electronic check payment. Credit card and electronic check payments are made via the Commission's website credit card app. Checks are made payable to "Kentucky State Treasurer." It is preferred that the **\$500 fee** accompany the submitted ***Updated Registration Statement*** for accurate recording purposes.

UPON TERMINATION: When an employer or real party in interest has terminated the engagement of **all** Executive Agency Lobbyists registered on their behalf, the employer or real party in interest has consequently terminated its registration with the Commission. When the employer or real party terminates their registration at any time during the reporting period, **a final *Updated Registration Statement* and \$500 fee must be submitted** to the Commission.

PENALTY FOR FAILING TO PAY REGISTRATION FEE: Failure to pay the \$500 registration fee either with a regular Updated Statement or a final Updated Statement will constitute a deficiency in the filing of an updated registration statement and will subject the employer/real party in interest to the penalties outlined in KRS 11A.990(5).

INITIAL REGISTRATION STATEMENTS

How to Register?

Each Executive Agency Lobbyist (“EAL”) must file an *Initial Registration Statement* that will simultaneously register the lobbyist, the employer, and the real party in interest. An Executive Agency Lobbyist engaged by more than one employer must file a separate *Initial Registration Statement* for each employer. Employers must ensure that each individual Executive Agency Lobbyist engaged to represent the employer has filed an *Initial Registration Statement*. The *Initial Registration Statement* is available for electronic completion on the Executive Branch Ethics Commission’s internet website at <http://ethics.ky.gov/>.

The *Initial Registration Statement* may be completed electronically via the Commission’s website, but must be printed, signed by both the Executive Agency Lobbyist and the employer contact, and submitted via regular mail, scanned/mailed, fax using the information below, or through an online system established by the Commission.

Executive Branch Ethics Commission
1025 Capital Center Drive, Suite #104
Frankfort, Kentucky 40601

FAX: (502)696-5091 EMAIL: EthicsFiler@ky.gov

When Should You Register?

Each Executive Agency Lobbyist is required to file an *Initial Registration Statement* **within ten (10) days** of the engagement of the Executive Agency Lobbyist by the employer or real party in interest. Pursuant to KRS 11A.211(7), Executive Agency Lobbyists and employers who fail to register, or who file an incomplete registration, will be afforded the opportunity for correction. Failure to comply with such opportunity may result in the Commission's initiation of an investigation, and notification to each elected official and the Secretary of each Cabinet listed in KRS 12.250 of the pending investigation.

How Long is the Registration Valid?

Registration remains valid and “active” until an Executive Agency Lobbyist terminates his or her registration with the Commission on behalf of his or her employer/real party in interest. Active lobbyists, employers, and real parties in interest are required to file updated registration statements and pay registration fees on an annual basis.

Following registration, the Executive Agency Lobbyist will be issued a registration card by the Commission effective from the date of its issuance until the following July 31. The employer will receive confirmation of its registration along with an updated list of all Executive Agency Lobbyists registered on its behalf. Both lobbyists and the employers/real parties will receive communication regarding their ongoing requirements after registration. The Executive Agency Lobbyist will be issued a new registration card for the next reporting period upon filing of the *Updated Registration Statement, Executive Agency Lobbyist* due between July 1 and July 31 each year that reaffirms the lobbyist wishes to remain active.

UPDATED REGISTRATION STATEMENTS

Once registered, each Executive Agency Lobbyist, employer, and real party in interest must file an Updated Registration Statement on an annual basis with the Commission. Updated Registration Statements must be filed between **July 1 and July 31** covering the prior reporting period of July 1 through June 30 of the previous year. Information submitted on updates is relative to the prior reporting period. Each employer and real party in interest is required to pay a \$500 fee upon filing the respective updated registration statements. The \$500 fee is a retroactive payment that covers the prior reporting period.

In addition to reporting changes in name, address, employer name, etc., an Updated Registration Statement has five types of information:

1. **Confirmation** of the continuing existence of each engagement described in the Initial Registration Statement;
2. A **list of the specific executive agency decisions** that the lobbyist sought to influence under the engagement during the period covered by the Updated Registration Statement;
3. A **statement of expenditures**; and
4. Details of any **financial transactions**.
5. **Compensation** paid to the lobbyist by the employer.

The following sections explain in detail the individual reporting requirements for the Executive Agency Lobbyist, the Employer of the Executive Agency Lobbyist, and the Real Party in Interest.

Confirmation of Engagement

Executive Agency Lobbyist Confirmation

The *Updated Registration Statement, Executive Agency Lobbyist* asks the lobbyist whether he/she will remain active for the employer/real party in interest. When answering "No," state the date of termination. If terminating for more than one employer, list each employer and the respective termination date.

If a lobbyist terminates during the middle of a reporting period, the lobbyist is required to file a final Updated Registration Statement for that reporting period thru the date of termination along with the *Termination Notification*.

Employer/Real-Party Confirmation

If an employer/real party in interest lists at least one active Executive Agency Lobbyist on the *Updated Registration Statement, Employer of Executive Agency Lobbyist* then the employer/real party is confirming their registration going forward into the next reporting period. When all lobbyists engaged by an employer or real party in interest terminate their registrations with the Commission, then the employer/real party in interest has effectively terminated its registration with the Commission. If the employer/real party terminates its registration in the middle of a reporting period, **the employer/real party in interest must file a final Updated Registration Statement with the Commission and pay the \$500 fee for the final reporting period.**

List of Specific Executive Agency Decisions

The Updated Registration Statement requires the Executive Agency Lobbyist, employer, and real party in interest to report the specific *executive agency decisions* the lobbyist attempted to influence on behalf of the employer/real party in interest during the reporting period. See KRS 11A.201(7) and previous sections for definition.

Statement of Expenditures

Each Updated Registration Statement is required to contain a statement of expenditures, if applicable. An Executive Agency Lobbyist is required to file a **separate** statement of expenditures for **each** employer engaging him or her. Each employer or real party in interest is required to file only one statement of expenditures regardless of the number of Executive Agency Lobbyists it engages. Those expenditures attributable to an employer or real party in interest are those that are paid directly by the company or paid by an individual on behalf of the company and the individual is not the registered Executive Agency Lobbyist. KRS 11A.216.

- **What is an Expenditure? KRS 11A.201(2)(a)**

Expenditure means any of the following that is made to or for the benefit of an elected executive official, the secretary of a cabinet listed in KRS 12.250, an executive agency official, or a member of the staff of such officials:

1. A payment, distribution, loan, advance, deposit, reimbursement, or gift of money, real estate, or anything of value, including, but not limited to, food and beverages, entertainment, lodging, transportation, or honoraria;
2. A contract, promise, or agreement to make an expenditure; or
3. The purchase, sale, or gift of services or any other thing of value.

- **What is Not an Expenditure? KRS 11A.201(2)(b)**

Expenditure does not include:

1. A contribution, gift, or grant to a foundation or other charitable organization that is exempt from federal income taxation under subsection 501(c)(3) of the Internal Revenue Code;
2. The purchase, sale, or gift of services or any other thing of value that is available to the general public on the same terms as it is available to the persons listed above;
3. A payment, contribution, gift, purchase, or any other thing of value that is made to or on behalf of any elected executive official, the secretary of a cabinet listed in KRS 12.250, an executive agency official, or any member of the staff of any of the officials listed in this paragraph who works for a state agency for which the executive agency lobbyist is not registered to influence.
4. Campaign contributions are not required to be reported by executive agency lobbyists as expenditures or financial transactions.

At least ten (10) days before the date on which the statement is filed, the filer shall deliver a copy of the statement to the official or employee identified as receiving the benefit of the expenditure. KRS 11A.216(7). The official or employee may dispute the information contained in the statement pursuant to KRS 11A.226(2).

Statement of Financial Transactions

The filer must also provide in the Updated Registration Statement a Statement of Financial Transactions. *Financial transaction* means a transaction or activity that is conducted or undertaken for profit and arises from the ownership, or the joint ownership, or part ownership in common of any real or personal property or any commercial or business enterprise of whatever form or nature between the following:

1. An executive agency lobbyist, his employer, a real party in interest, or a member of the *immediate family* of the EAL or his employer or a real party in interest; and
2. An elected executive official, the secretary of a cabinet listed in KRS 12.250, an executive agency official, or a member of the staff of such official.

Financial transaction does not include any transaction or activity if it is available to the general public on the same terms. KRS 11A.201(5).

At least ten (10) days before the date on which the statement is filed, the filer shall deliver a copy of the statement to the official or employee with whom or for whose benefit the transaction was made. KRS 11A.221(4). The official or employee has may dispute the information contained in the statement pursuant to KRS 11A.226(2).

Compensation

Executive Agency Lobbyists are required to report the compensation paid to them by each employer on the *Updated Registration Statement, Executive Agency Lobbyist*. Employers of Executive Agency Lobbyists are required to report compensation paid to each Executive Agency Lobbyist engaged to represent them on the *Updated Registration Statement, Employer of Executive Agency Lobbyist*. Compensation means any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, or to be rendered, by himself or another. KRS 11A.201(1). The statute does not establish a specific method for the reporting of compensation i.e., monthly, annually, pro-rated amount based on percentage of time actually conducting lobbying activity, etc. For compliance purposes, provide a good faith answer to the best of your knowledge.

The Ethics Code does not prohibit any person from compensating that person's sales employees pursuant to any incentive compensation plan, such as commission sales, if the incentive compensation plan is the same plan used to compensate similarly situated sales employees who are not executive agency lobbyists. In addition, the Ethics Code does not prohibit any person from engaging a placement agent to influence investment decisions of the Kentucky Retirement Systems and the Kentucky Teachers' Retirement System for compensation that is contingent on the outcome of investment decisions by the retirement systems' boards of trustees. These same provisions do not apply to unregulated placement agents. KRS 11A.236 (1) & (2)

Record Keeping Requirements

Executive Agency Lobbyists, employers, and real parties in interest shall retain receipts or maintain records for all expenditures that are required to be reported to the Commission. These receipts or records shall be maintained for a period ending on the thirtieth day of June of the second fiscal year after the year in which the expenditure was made. KRS 11A.216(6).

PENALTIES, CONTINGENCY FEES AND DISPUTED INFORMATION

Initial Registration Statements and Updated Registration Statements are reviewed and audited by the Executive Branch Ethics Commission staff. Filers will be given a reasonable opportunity to correct any errors, remedy a deficiency, or clarify discrepancies regarding information provided on the statements.

KRS 11A.226(2).

Campaign Contributions Are Not Prohibited

Nothing in the Ethics Code prohibits an elected official from soliciting or accepting a contribution from or an expenditure by *any person*, even an Executive Agency Lobbyist, employer, or real party in interest, if the contribution or expenditure is reported in accordance with KRS Chapter 121, the campaign finance laws. Indeed, campaign contributions to elected officials are not considered gifts, pursuant to KRS 11A.010(5).

TERMINATION OF ENGAGEMENT

An Executive Agency Lobbyist has an affirmative duty to notify the Commission within 30 days after the termination of an engagement. Such notification is made using the *Termination Notification Form*. The form should be completed, signed and attached to the Executive Agency Lobbyist's final Updated Registration Statement and submitted to the Commission. The employer will record any Executive Agency Lobbyists' terminations on the next *Updated Registration Statement, Employer* submitted the following July. KRS 11A.211(4).

When all lobbyists engaged by an employer or real party in interest terminate their registrations with the Commission, then the employer/real party in interest has effectively terminated his or her registration with the Commission. If an employer terminates all lobbyists at a mid-point during the reporting period, July 1 thru June 30, **the employer/real party in interest must file a final Updated Registration Statement with the Commission and pay the \$500 fee for the final reporting period.**

EXAMPLE:

The next reporting period begins July 1, 2019, and ends June 30, 2020. If XYZ Company has five EAL's registered as of August 1, 2019, and terminates all five EAL's in February 2020 (which occurs in the middle of the reporting period), XYZ company will have to file a final *Updated Registration Statement, Employer* and pay the \$500 registration for the reporting period ending June 30, 2020. Remember, statements and fees are collected retroactively for the reporting period that just ended.

 - (d) The name of the executive agency or agencies to which the engagement relates;
 - (e) Certification by the employer and executive agency lobbyist that the information contained in the registration statement is complete and accurate;

- (2) In addition to the initial registration statement required by subsection (1) of this section, each executive agency lobbyist, employer, and real party in interest shall file with the commission, not later than the last day of July of each year, an updated registration statement that confirms the continuing existence of each engagement described in an initial registration statement, that lists the specific executive agency decisions the executive agency lobbyist sought to influence under the engagement during the period covered by the updated statement, and the compensation paid to each executive agency lobbyist by each employer, and with it any statement of expenditures required to be filed by KRS 11A.216 and any details of financial transaction required to be filed by KRS 11A.221.
- (3) If an executive agency lobbyist is engaged by more than one (1) employer, the executive agency lobbyist shall file a separate initial and updated registration statement for each engagement and list compensation paid to the executive agency lobbyist by each employer. - (5) Each employer of one (1) or more executive agency lobbyists, and each real party in interest, shall pay a registration fee of five hundred dollars (\$500) upon the filing of an updated registration statement. All fees collected by the commission under the provisions of this subsection shall be deposited in the State Treasury in a trust and agency fund account to the credit of the commission. These agency funds shall be used to supplement general fund appropriations for the operations of the commission and shall not lapse. No part of the trust and agency fund account shall revert to the general funds of this state.

The registration card shall be valid from the date of its issuance through the thirty-first day of July of the following year.

If the commission determines the registration statement does not contain all of the required information or that an executive agency lobbyist, employer, or real party in interest has failed to file a registration statement, the commission shall send written notification of the deficiency by certified mail to the person who filed the registration statement or to the person who failed to file the registration statement regarding the failure. Any person so notified by the commission shall, not later than fifteen (15) days after receiving the notice, file a registration statement or an amended registration statement that includes all of the required information. If any person who receives a notice under this subsection fails to file a registration statement or an amended registration statement within the fifteen (15) day period, the commission may initiate an investigation of the person's failure to file. - (10) Executive agency officials may require certification from any person seeking the award of a contract, grant, lease, or financial arrangement that the person, his or her employer, and any real party in interest are in compliance with this section.

SB 6 will become effective on June 27, 2019. The reasons why an ordinary administrative regulation is not sufficient: An ordinary administrative regulation is not sufficient because it will not be in effect by the time the new amendments to KRS 11A.211 become effective on June 27, 2019. APPENDIX C

Forms & Instructions

INSTRUCTIONS
EBEC-EAL-201: INITIAL REGISTRATION STATEMENT
EXECUTIVE AGENCY LOBBYIST/EMPLOYER AND REAL PARTY IN INTEREST

Please complete all sections and all items of the *Initial Registration Statement*.

Do not leave blanks

A. Executive Agency Lobbyist Information

Provide information requested as it relates to the executive agency lobbyist.

Item 10. Date of Engagement: The date the executive agency lobbyist entered into an agreement for compensation to conduct executive agency lobbying activity on behalf of the employer or real party in interest. Executive agency lobbyists may be employees of the employer/real party or contract lobbyists. "Employees" would not necessarily put the starting date of employment, but the date the employee was assigned the task to conduct executive agency lobbying on behalf of the employer/real party.

B. Employer Information

Provide information requested as it relates to the employer.

Item 4, Employer Contact: The designated "Employer Contact" serves as the liaison between the Commission staff and the employer as it relates to all matters of compliance and reporting. This individual will be responsible for the completion of the *Updated Registration Statement, Employer of Executive Agency Lobbyist* and payment of the \$500 registration fee both **due July 31** of each year.

C. Real Party In Interest

The "real party in interest" is the person or organization on whose behalf the executive agency lobbyist is acting, if that person is not the employer. For example, if the ABC Corporation engages XYZ Government Relations Firm which, in turn, hires John Smith to influence decisions or conduct executive agency lobbying on behalf of ABC Corporation: (a) John Smith is the executive agency lobbyist; (b) XYZ Government Relations Firm is the employer; and (c) ABC Corporation is the "real party in interest."

Remember that it makes no difference how many parties come between the EAL and the real party in interest. The requirement is that the statement specifically identifies the real party in interest, if different from the employer.

Item 4, Real Party In Interest Contact : The designated "Real Party in Interest Contact" serves as the liaison between the Commission staff and the real party in interest as it relates to all matters of compliance and reporting. This individual will be responsible for the completion of the *Updated Registration Statement, Real Party in Interest* and payment of the \$500 registration fee both **due July 31** of each year

D. Brief Description of the Executive Agency Decision to Which Engagement Relates DO NOT LEAVE THIS SECTION BLANK

The description should state the subject matter areas for which the executive agency lobbyist has been engaged. Examples: Award of a lease for office space; award of a contract to provide equipment; marketing products or services to a state agency; award of a personal service contract; attempts to increase/decrease state funding through the budget process; investment/financial services for state retirement accounts or banking services; support proposed legislation for charter schools; appearance before PSC for rate increase; defeat of proposed legislation for corporate tax increase; seeking state grants for child care services, etc.

E. Listing of Executive Agencies to be Lobbied

Please check the state agency(ies) to which the engagement of the executive agency lobbyist relates meaning those

agencies most likely be contacted while conducting executive agency lobbying activity. This listing is subject to change due to reorganization by the governor or laws enacted by the legislature. Add additional agencies not listed in the space provided.

Note: Executive agency officials may require certification from any person seeking the award of a contract, grant, lease, or financial arrangement that the person and his employer are in compliance with KRS 11A.211. The EAL registration card, supplied by the Executive Branch Ethics Commission, will serve as certification.

F. List Compensation Paid to the Executive Agency Lobbyist By Employer

“Compensation” means, “any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, as to be rendered, by himself or another” KRS 11A.201(1). The statute does not establish a specific method for the reporting of compensation i.e., monthly, annually, pro-rated amount based on percentage of time actually conducting lobbying activity, etc. For compliance purposes, provide a good faith answer to the best of your knowledge.

Certification and Signature:

The *Initial Registration Statement* **must be signed** and certified by both the executive agency lobbyist and the employer designee as to the completeness and accuracy of the Initial Registration Statement. The certification also states that both the lobbyist and employer designee have complied with KRS 11A.236 which states:

11A.236 Prohibition against lobbying on a contingency basis -- Exception for incentive compensation plans and placement agents

- (1) Except as provided in subsection (2) of this section, no person shall engage any persons to influence executive agency decisions or conduct executive agency lobbying activity for compensation that is contingent in any way on the outcome of an executive agency decision, including payment based on the awarding of a contract or payment of a percentage of a government contract awarded, and no person shall accept any engagement to influence executive agency decisions or conduct executive agency lobbying activity for compensation that is contingent in any way on the outcome of an executive agency decision, including payment based on the awarding of a contract or payment of a percentage of a government contract awarded. An employer who pays an executive agency lobbyist based on the awarding of a contract or payment of a percentage of a government contract awarded shall be barred from doing business with the Commonwealth for a period of five (5) years from the date on which such a payment is revealed to the Executive Branch Ethics Commission.
- (2) Subsection (1) of this section does not prohibit, and shall not be construed to prohibit: (a) any person from compensating his sales employees pursuant to an incentive compensation plan, such as commission sales, if the incentive compensation plan is the same plan used to compensate similarly situated sales employees who are not executive agency lobbyists; or (b) any person from engaging a placement agent to influence investment decisions of the Kentucky Retirement Systems and the Kentucky Teachers' Retirement System for compensation that is contingent on the outcome of investment decisions by the retirement systems' boards of trustees. The provisions of this paragraph shall not apply to unregulated placement agents.

Do not submit registration fees when filing the *Initial Registration Statement*. The registration fee is paid on an annual basis when the employer/real party in interest files the Updated Registration Statement due July 31 of each year.

The signed statement may be submitted in original form via hand delivery, regular mail, delivery service, or electronically by facsimile/electronic mail or through an online system established by the Commission.

EBEC-EAL-202: UPDATED REGISTRATION STATEMENT EXECUTIVE AGENCY LOBBYIST

A. General Information

Items 1 & 2: Provide your full name; your executive agency lobbyist number as found on your Executive Agency Lobbyist Registration Card; and the name of your employer. Update any changes in address, email, etc.

Item 3: Indicate whether this is a regular, amended, or final statement. An amended statement should be filed if a correction needs to be made after the reporting deadline. If an amended statement is filed, indicate which reporting year the statement is amending, and complete only those sections, which are being changed by the amended filing. Final statements are filed upon termination of registration.

Item 4: Indicate if you will remain active or terminate your registration for the employer(s) listed on the form. For reporting purposes, "termination" means the date you were no longer acting as an executive agency lobbyist for the employer either thru terminating a contract to represent the employer, a reassignment within the company, or you resigned your position with the employer. If terminating your engagement, provide a termination date.

Item 5: If your *Initial Registration Statement* indicated any real party(ies) in interest, you will record any additions/deletions in this table.

B. Executive Agency Decisions

If you are an executive agency lobbyist *who represents more than one employer*, you must complete Sections B and C for each employer you represent by copying the third page of the statement. At the top of the third page indicate the employer for which you are reporting, your name and lobbyist number. Then complete Section B and Section C as it relates to the employer you listed at the top of the page. Attach the additional copies of the third page to the Updated Registration Statement, making sure to include the signature page.

Item 1: List the specific executive agency decisions which you attempted to influence, on behalf of the employer during the reporting period and the specific agencies contacted. Examples of an executive agency decision to be listed: "contract for purchase of (commodity) by Kentucky Department of Corrections;" "met with officials of the Transportation Cabinet to discuss budget items for the State Road Fund" "went before the Public Service Commission to request rate increase for XYZ Electric Utility."

Item 2: Since your *Initial Registration Statement* or most recent Updated Registration Statement, describe any additional types of executive agency decisions which relate to your engagement. For example, if your initial registration stated that you will be attempting to influence executive agency decisions related to "Contracts for data processing services" and now you will also be attempting to influence "Contracts for purchase of computer hardware", report the latter.

Item 3: Add or delete from the list of executive branch agencies originally provided on the *Initial Registration Statement* or last Updated Registration Statement.

List the name of the official or employee for whom the expenditure was made; type of expenditure; for what meeting, event or occasion; when the expenditure occurred; and the amount of the expenditure. Any expenditure reported requires the naming of an official or employee, and delivery of a copy of the applicable section(s) of the expenditure statement to the identified official or employee at least ten (10) days before the statement is to be filed with the Commission. See KRS 11A.226 for the

procedure to be followed relative to any dispute which may arise concerning a reported expenditure.

"Compensation" means, "any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, as to be rendered, by himself or another" KRS 11A.201(1). The statute does not establish a specific method for the reporting of compensation i.e., monthly, annually, pro-rated amount based on percentage of time actually conducting lobbying activity, etc. For compliance purposes, provide a good faith answer to the best of your knowledge.

INSTRUCTIONS
EBEC-EAL-204: UPDATED REGISTRATION STATEMENT
EXECUTIVE AGENCY LOBBYIST/ EMPLOYER
“COMBINED”

When a lobbyist has only one employer and that employer has only one lobbyist, with the lobbyist listed as the “employer contact” on the Initial Registration Statement, the lobbyist and employer may alternately file an *Updated Registration Statement Lobbyist/Employer “COMBINED”* in lieu of filing two separate updated registration statements. The “COMBINED” form may only be used if neither the lobbyist nor the employer have expenses or financial transactions to report. Only the lobbyists and employers who meet **all** of the following requirements may complete the “COMBINED” form:

1. There is only **one** executive agency lobbyist registered to represent the employer.
2. There is only **one** employer registered for the same lobbyist.
3. The lobbyist that is registered is also listed as the employer contact for the employer.
4. Both the employer and the lobbyist have no expenditures or financial transactions to report.

The “COMBINED” form is password protected. The lobbyist/employer will be provided the password only if meeting the requirements listed above.

A. General Information

Items 1 & 2: Provide your full name; your executive agency lobbyist number; and the name of your employer. Update any changes in the lobbyist’s/employer’s name, mailing address, and other contact information.

Item 3: Indicate whether this is a regular, amended, or final statement. An amended statement should be filed if a correction needs to be made after the reporting deadline. If an amended statement is being filed, indicate which reporting year the statement is amending, and complete only those sections, which are being changed by the amended filing. Final statements are filed upon termination of registration.

Item 4: If you have terminated your registration with the employer listed on the form, check “No” and indicate the termination date.

B. Executive Agency Decisions

Item 1: List the specific executive agency decisions which you attempted to influence, on behalf of the employer during the reporting period and the specific agencies contacted. Examples of an executive agency decision to be listed: "contract for purchase of (commodity) by Kentucky Department of Corrections;" "Met with officials of the Transportation Cabinet to discuss budget items for the State Road Fund", "went before the Public Service Commission to request rate increase for XYZ Electric Utility", etc.

Item 2: Since your *Initial Registration Statement* or most recent Updated Registration Statement, describe any additional types of executive agency decisions, which relate to your engagement. For example, if your initial registration stated that you will be attempting to influence executive agency decisions related to "Contracts for Data Processing Services", and you will also be attempting to influence "Contracts for Purchase of Computer Hardware", report the latter.

Item 3: Add or delete from the list of executive branch agencies originally provided on the *Initial Registration Statement* or last Updated Registration Statement.

C. Compensation (Do Not Leave This Section Blank)

List the compensation paid to the lobbyist by the employer. “Compensation” means, “any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, as to be rendered, by

himself or another” KRS 11A.201(1). The statute does not establish a specific method for the reporting of compensation i.e., monthly, annually, pro-rated amount based on percentage of time actually conducting lobbying activity, etc. For compliance purposes, provide a good faith answer to the best of your knowledge.

D. Registration Fee

Each employer of one or more executive agency lobbyists is required to pay a registration fee of \$500.00 with the filing of the *Updated Registration Statement, COMBINED* whether the employer is submitting a regular or final report. KRS 11A. 211(5). Payment may be made by credit card, check, or money order payable to the “**KENTUCKY STATE TREASURER**”. For accuracy in recording, it is preferred that payment accompany the filing of the updated registration statement. Failure to submit the \$500 registration fee will constitute a deficiency in the filing of an updated registration statement and will subject the employer to penalties outlined in KRS 11A.990(5).

Certification:

This section requires the signature of the executive agency lobbyist/employer contact and the date on which the statement was signed. The signing of the statement attests to the completeness and accuracy of the statement and that the employer and the lobbyist have complied with KRS 11A.236, which prohibits lobbying on a contingency basis:

11A.236 Prohibition against lobbying on a contingency basis -- Exception for incentive compensation plans and placement agents

- (1) Except as provided in subsection (2) of this section, no person shall engage any persons to influence executive agency decisions or conduct executive agency lobbying activity for compensation that is contingent in any way on the outcome of an executive agency decision including payment based on the awarding of a contract or payment of a percentage of a government contract awarded, and no person shall accept any engagement to influence executive agency decisions or conduct executive agency lobbying activity for compensation that is contingent in any way on the outcome of an executive agency decision including payment based on the awarding of a contract or payment of a percentage of a government contract awarded. An employer who pays an executive agency lobbyist based on the awarding of a contract or payment of a percentage of a government contract awarded shall be barred from doing business with the Commonwealth for a period of five (5) years from the date on which such a payment is revealed to the Executive Branch Ethics Commission.
- (2) Subsection (1) of this section does not prohibit, and shall not be construed to prohibit: (a) any person from compensating his sales employees pursuant to an incentive compensation plan, such as commission sales, if the incentive compensation plan is the same plan used to compensate similarly situated sales employees who are not executive agency lobbyists; or (b) any person from engaging a placement agent to influence investment decisions of the Kentucky Retirement Systems and the Kentucky Teachers' Retirement System for compensation that is contingent on the outcome of investment decisions by the retirement systems' boards of trustees. The provisions of this paragraph shall not apply to unregulated placement agents.

EBEC-EAL-206: TERMINATION NOTIFICATION
EXECUTIVE AGENCY LOBBYIST

Within thirty (30) days following the termination of an engagement, the executive agency lobbyist who was employed under the engagement shall file written notice of the termination with the Commission. The Termination Notification must always include a final *Updated Registration Statement, Executive Agency Lobbyist*. Because the reporting period includes an entire fiscal year, if the lobbyist is active at any time during the reporting period he/she must file a final updated registration statement upon termination.

When all executive agency lobbyists engaged by an employer or real party terminate their registrations with the Commission, then the employer/real party in interest has effectively “terminated” their registration with the Commission. In the same manner as the lobbyist, the employer/real party in interest must file a final *Updated Registration Statement, Employer* or *Updated Registration Statement, Real Party in Interest* and pay their final \$500 registration fee. Remember, all updates and fees are collected at the end of a reporting period for the previous reporting year.

General Information

Provide your full name, EAL registration number, and residential address. Indicate your termination date for your employer/real party in the space provided as well as the name and address of the employer/real party.

Compensation:

List the final compensation paid to you as an executive agency lobbyist by the employer/real party. The compensation listed would include the amount paid from the beginning of the current reporting period thru your date of termination or end of engagement. “Compensation” means, “any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, as to be rendered, by himself or another” KRS 11A.201(1).
