GENERAL INFORMATION

The following is an informational guide to the portions of the Executive Branch Code of Ethics, KRS Chapter 11A, that apply to Executive Agency Lobbying. Please review KRS Chapter 11A and Chapter 9 of the Kentucky Administrative Regulations for further information. The Executive Branch Ethics Commission is charged with administering the executive agency lobbying process.

The purpose of the executive agency lobbying law is to provide transparency to the public at large to know which persons or entities are making a significant effort to influence public policy as it relates to the expenditure of state funds. The executive agency lobbying laws in the Commonwealth of Kentucky only apply to attempts to influence on the state level; the requirements addressed in this publication do not apply to activities involving attempts to influence the decisions of county or municipal officials.

Executive Agency Lobbying vs. Legislative Lobbying

If you are attempting to promote, oppose, or otherwise influence the outcome of an executive agency decision involving the expenditure of state funds, you are conducting executive agency lobbying and you must register as an executive agency lobbyist with the Executive Branch Ethics Commission. If you are attempting to promote, advocate, or oppose the passage, modification, defeat, or executive approval or veto of any bill, resolution, amendment, nomination, and any other matter pending before or acted upon the Kentucky General Assembly, then you are conducting legislative lobbying and you must register as a legislative agent with the Kentucky Legislative Ethics Commission. The Legislative Ethics Commission administers legislative lobbying. The distinction between the two types of lobbying is based upon subject matter; therefore, when deciding whether to register as a legislative agent or an executive agency lobbyist you should determine what you will be attempting to influence and who you will be contacting to attempt to influence.

What is Executive Agency Lobbying?

The executive agency lobbying law requires that people, organizations or other groups who expend funds or receive compensation to influence an executive agency decision must register with the Executive Branch Ethics Commission (“the Commission”). An executive agency decision means a decision of an executive agency regarding the expenditure of state funds with respect to the award of a contract, grant, lease, the inclusion or deletion of items in the executive branch state budget, entitlement programs, or other financial arrangement under which state funds are distributed or allocated.
Who Should Register as an Executive Agency Lobbyist, Employer, or Real Party in Interest?

Whether a person should register as an executive agency lobbyist is determined by the person's activity. An executive agency lobbyist is any individual who is engaged by an employer or a real party in interest on a substantial basis, as one of his or her main purposes, to influence executive agency decisions or to conduct executive agency lobbying activity. If the advocacy by direct communication regarding an executive agency decision is directed to the office of an elected executive official, a cabinet listed in KRS 12.250, an executive branch official, or any other state agency, department, board, or commission controlled or directed by an elected executive official or otherwise subject to their authority, and the person is attempting to influence an executive agency decision, then the person engaged in such advocacy is an executive agency lobbyist.

The question often arises what does the phrase "on a substantial basis, as one of his or her main purposes" mean. In other words, at what point have you performed sufficient activity to warrant registration as an executive agency lobbyist? As a rule of thumb, if you have made direct contacts during a calendar year, for the purpose of influencing an executive agency decision involving state funds of at least $5,000 per year, you are required to be registered as an executive agency lobbyist.

**ATTENTION: Former Executive Branch Employees**

KRS 11A.040(8) prohibits you for one (1) year from the date you leave state employment from lobbying on matters in which you had direct involvement the last thirty-six (36) months of your state employment.

Statutory definitions found in KRS 11A.201 *et seq.* are outlined as follows.

Who is an Executive Agency Lobbyist?

An *executive agency lobbyist* (EAL) is any *person* who is employed or *engaged* to influence *executive agency decisions* or to conduct *executive agency lobbying activity* as one of his main purposes on a *substantial basis*. The term “executive agency lobbyist” shall also include *placement agents* and *unregulated placement agents*.

*Engage* means to make any arrangement, and *engagement* means any arrangement, whereby an individual is employed or retained for *compensation* to act for or on behalf of an employer to influence executive agency decisions or to conduct any executive agency lobbying activity.

*Compensation* means any money, thing of value, or economic benefit conferred on, or received by, any person in return for service rendered, or to be rendered by himself or another.
Executive Agency Decision means a decision of an executive agency regarding the expenditure of funds of the state or of an executive agency with respect to the award of a contract, grant, lease, or other financial arrangement under which such funds are distributed or allocated.

Executive Agency means the office of an elected executive official, a cabinet listed in KRS 12.250 or any other state agency, department, board, or commission controlled or directed by an elected executive official or otherwise subject to their authority. "Executive agency" does not include any court the Kentucky General Assembly.

Executive Agency Lobbying Activity means contacts made to promote, oppose, or otherwise influence the outcome of an executive agency decision by direct communication with an elected executive official, the secretary of any cabinet listed in KRS 12.250, any executive agency official, or a member of the staff of any of the officials listed in this paragraph.

Executive Agency Official means an officer or employee of an executive agency whose principal duties are to formulate policy or to participate directly or indirectly in the preparation, review, or award of contracts, grants, leases, or other financial arrangements with an executive agency.

Person means an individual, proprietorship, firm, partnership, joint venture, joint stock company, syndicate, business, trust, estate, company, corporation, association, club, committee, organization, or group of persons acting in concert.

Placement agent means an individual or firm who is compensated or hired by an employer or other real party in interest for the purpose of influencing an executive agency decision regarding the investment of the Kentucky Retirement Systems or the Kentucky Teachers' Retirement System assets; and Unregulated placement agent means a placement agent who is prohibited by federal securities laws and regulations promulgated thereunder from receiving compensation for soliciting a government agency.

Staff means any employee of the office of the Governor, or cabinet official listed in KRS 12.250, whose official duties are to formulate policy and who exercises administrative or supervisory authority or who authorizes the expenditure of state funds.

Substantial Basis means contacts which are intended to influence a decision that involves one or more disbursements of state funds in an amount of at least five thousand dollars ($5,000) per year.

Who Is An Employer Of An Executive Agency Lobbyist?

An employer means any person who employs or engages an executive agency lobbyist.

Who is a Real Party in Interest?

A real party in interest is the person or organization on whose behalf the executive agency lobbyist is acting, if that person is not the employer. For example, if the ABC Corporation engages XYZ Government Relations Firm that, in turn, hires John Smith to influence decisions or conduct executive agency lobbying on behalf of ABC Corporation: (a) John Smith is the executive agency lobbyist; (b) XYZ Government Relations Firm is the employer; and (c) ABC Corporation is the real party in interest.
Who is Exempt from Registering as an Executive Agency Lobbyist?

1) Unpaid lobbyists.

2) A person who is attempting to influence a decision of an executive agency that does not involve the expenditure of state funds or the award of a contract, grant, lease, or other financial arrangement under which such funds are distributed or allocated. Examples: a public utility appears before the Public Service Commission to request a rate increase; a manufacturing plant communicates directly with officials with the Air Quality Commission to discuss policies/regulations regarding air pollution.

3) A person whose job does not include lobbying as a “main purpose.” Example: an engineer for a public utility who sometimes is in contact with state highway officials about moving utility lines, but whose main duties do not include lobbying.

4) A person whose state contacts do not involve “substantial” state spending. Decisions involving state spending of less than $5,000 per year are not considered “substantial.”

5) A firm or individual merely submitting a bid or responding to a Request for Proposal for a contract.

6) A person whose contacts with state officials are for the sole purpose of gathering information contained in a public record. Example: a businessman who seeks a fuller explanation of bidding specifications but makes no effort to change or otherwise influence a state decision on the bids.

7) A person whose lobbying is done only during appearances before public meetings of executive agencies.

8) A person whose contacts are limited to those employees whose official duties do not include policy formulation, administrative or supervisory authority, or expenditure authorization. To be considered lobbying, contacts must be with an elected official; a cabinet secretary; officials whose principal duties are to make policy or participate in the preparation or award of state contracts or other financial arrangements, or the staff of any of the above officials. (See KRS 11A.201(9), (10) and (14) for complete details.)

9) Officers or employees of federal, state or local governments or of state colleges and universities when acting within their official duties.

10) Persons exercising their constitutional right to assemble with others for their common good and petition state executive branch agencies for redress of grievances.
Persons acting to promote, oppose or otherwise influence the outcome of a decision of the Cabinet for Economic Development or any board or authority within or attached to the Cabinet relating to the issuance or award of a bond, grant, lease, loan, assessment, incentive inducement, or tax credit pursuant to KRS 42.4588, 103.210, Chapter 154 or Chapter 224A, or otherwise relating to another component of an economic incentive package.

The executive agency lobbying laws do not apply to the efforts of persons who are attempting to influence executive agency decisions or conducting executive agency lobbying activity in any of the following circumstances:

1) Appearances at public hearings of the committees of the General Assembly, at court proceedings, at rule-making or adjudication proceedings, or at other public meetings;

2) News, editorial, and advertising statements published in newspapers, journals, or magazines, or broadcast over radio or television;

3) The gathering and furnishing of information and news by bona fide reporters, correspondents, or news bureaus to news media described in number two above; and

4) Publications primarily designed for and distributed to members of associations or charitable or fraternal nonprofit corporations.

**Is There a Registration Fee?**

Yes. Each employer of one or more lobbyists, and each real party in interest, must pay a registration fee of $500 upon the filing of an **Updated Registration Statement due July 31** each year. Do not submit fees when filing the Initial Registration Statement. The registration fee may be paid using a check, credit card, money order, or electronic check payment. Credit card and electronic check payments are made via the Commission’s website credit card app. Checks are made payable to “Kentucky State Treasurer”. It is preferred that the $500 registration fee accompany the submitted **Updated Registration Statement** for accurate recording purposes.

When an employer or real party in interest has terminated the engagement of all executive agency lobbyists registered on their behalf, the employer or real party in interest has consequently terminated its registration with the Commission. When the employer or real party terminates their registration at any time during the reporting period, a final **Updated Registration Statement and $500 registration fee must be submitted** to the Commission. Failure to pay the $500 registration fee either with a regular Updated Statement or a final Updated Statement will constitute a deficiency in the filing of an updated registration statement and will subject the employer/real party in interest to the penalties outlined in KRS 11A.990(5).
**INITIAL REGISTRATION STATEMENTS**

How to Register

Each executive agency lobbyist (“EAL”) must file an *Initial Registration Statement* that will, simultaneously, register the lobbyist, the employer, and the real party in interest. An executive agency lobbyist engaged by more than one employer must file a separate *Initial Registration Statement* for each employer. Employers must ensure that each individual executive agency lobbyist engaged to represent the employer has filed an *Initial Registration Statement*. The *Initial Registration Statement* is available for electronic completion on the Executive Branch Ethics Commission’s internet website at [http://ethics.ky.gov/](http://ethics.ky.gov/).

The *Initial Registration Statement* is filed with the Executive Branch Ethics Commission (“the Commission”), 1025 Capital Center Drive, Suite #104 Frankfort, Kentucky 40601. The *Initial Registration Statement* may be completed electronically via the Commission’s website, but must be printed, signed by both the executive agency lobbyist and the employer contact, and submitted via regular mail, scanned/emailed or through an online system established by the Commission.

When Should You Register?

Each executive agency lobbyist is required to file an *Initial Registration Statement* within ten (10) days of the engagement of the executive agency lobbyist by the employer or real party in interest. Pursuant to KRS 11A.211, executive agency lobbyists and employers who fail to register, or who file an incomplete registration, will be afforded the opportunity for correction. Failure to comply with such opportunity may result in the Commission’s initiation of an investigation, and notification to each elected official and the Secretary of each Cabinet listed in KRS 12.250 of the pending investigation.

How Long is the Registration Valid?

Following registration, the executive agency lobbyist will be issued a registration card by the Commission effective from the date of its issuance until July 31. The employer will receive confirmation of their registration along with an updated list of all executive agency lobbyists registered on their behalf. Both the lobbyist and the employer/real party will receive communication regarding their requirements after registration. The executive agency lobbyist will be issued a new registration card for the next reporting period upon filing of the *Updated Registration Statement, Executive Agency Lobbyist* due on July 31 each year.

Until an executive agency lobbyist terminates their registration with the Commission, the lobbyist and his/her employer/real party interest are considered “active” and therefore required to file updated registration statements and pay registration fees on an annual basis.
INSTRUCTIONS

INITIAL REGISTRATION STATEMENT
EXECUTIVE AGENCY LOBBYIST/EMPLOYER AND REAL PARTY IN INTEREST

Please complete all sections and all items of the Initial Registration Statement. Do not leave blanks

A. Executive Agency Lobbyist Information

Provide information requested as it relates to the executive agency lobbyist.

**Item 11, Date of Engagement:** The date the executive agency lobbyist entered into an agreement for compensation to conduct executive agency lobbying activity on behalf of the employer or real party in interest. Executive agency lobbyists may be in-house employees of the employer or contract lobbyists. Employees would not necessarily put the starting date of employment, but the date the employee was assigned the task to conduct executive agency lobbying on behalf of the employer.

B. Employer Information

Provide information requested as it relates to the employer.

**Item 4, Employer Contact:** The designated “Employer Contact” serves as the liaison between the Commission staff and the employer as it relates to all matters of compliance and reporting. This individual will be responsible for the completion and submission of the Updated Registration Statement, Employer of Executive Agency Lobbyist and payment of the $500 registration fee both due July 31 of each year.

C. Real Party in Interest

The "real party in interest" is the person or organization on whose behalf the executive agency lobbyist is acting, if that person is not the employer. For example, if the ABC Corporation engages XYZ Government Relations Firm that, in turn, hires John Smith to influence decisions or conduct executive agency lobbying on behalf of ABC Corporation: (a) John Smith is the executive agency lobbyist; (b) XYZ Government Relations Firm is the employer; and (c) ABC Corporation is the "real party in interest."

Remember that it makes no difference how many parties come between the executive agency lobbyist and the real party in interest. The requirement is that the statement specifically identifies the real party in interest, if different from the employer.

**Item 4, Real Party in Interest Contact:** The designated “Real Party in Interest Contact” serves as the liaison between the Commission staff and the real party in interest as it relates to all matters of compliance and reporting. This individual will be responsible for the completion and submission of the Updated Registration Statement, Real Party in Interest and payment of the $500 registration fee both due July 31 of each year.
D. Brief Description of the Executive Agency Decision to Which Engagement Relates

The description should state the purpose and the subject matter areas for which the executive agency lobbyist is engaged. Examples: award of a lease for office space; award of a contract to provide equipment; marketing products or services to an executive branch state agency; award of a personal service contract; attempts to increase/decrease state funding through the budget process; investment/financial services for state retirement accounts or banking services; award of grants for social services; formularies or agreements related to entitlement programs.

E. Listing of Executive Agencies to Be Lobbied

Please check the state agency(ies) to which the engagement relates, meaning those agencies most likely be contacted while conducting executive agency lobbying activity. This listing is subject to change due to reorganization by the governor or legislation enacted by the Kentucky General Assembly. Add additional agencies not listed in the space provided.

Note: Executive agency officials may require certification from any person seeking the award of a contract, grant, lease, or financial arrangement that the person and his employer are in compliance with KRS 11A.211. The EAL registration card, supplied by the Executive Branch Ethics Commission, will serve as certification as well as the official listing of Executive Agency Lobbyists and their Employers on the Commission’s website http://ethics.ky.gov/

Certification and Signature:

The Initial Registration Statement must be signed and certified by both the executive agency lobbyist and the employer designee. The signed statement may be submitted in original form via hand delivery, regular mail, delivery service, electronically by facsimile/electronic mail or through an online system established by the Commission.

Do not submit registration fees when filing the Initial Registration Statement. The registration fee is paid when the employer/real party in interest files the annual Updated Registration Statement due July 31 of each year.

(5) Any executive agency lobbyist, employer, or real party in interest who fails to file the initial registration statement or updated registration statement required by KRS 11A.211 or 11A.216, or who fails to remedy a deficiency in any filing in a timely manner, he may be fined by the commission an amount not to exceed one hundred dollars ($100) per day, up to a maximum total fine of one thousand dollars ($1,000).

(6) Any executive agency lobbyist, employer, or real party in interest who intentionally fails to register, or who intentionally files an initial registration statement or updated registration statement required by KRS 11A.211 or 11A.216 which he knows to contain false information or to omit required information shall be guilty of a Class D felony.

(7) An executive agency lobbyist, employer, or real party in interest who files a false statement of expenditures or details of a financial transaction under KRS 11A.221 or 11A.226 is liable in a civil action to any official or employee who sustains damage as a result of the filing or publication of the statement.

(8) Violation of KRS 11A.236 is a Class D felony.
UPDATED REGISTRATION STATEMENTS

Once registered, each executive agency lobbyist, employer, and real party in interest must file an Updated Registration Statement on an annual basis with the Executive Branch Ethics Commission (“the Commission”). Updated Registration Statements are due July 31 for the reporting period July 1 through June 30 and information submitted on all updates are to cover the prior reporting period. Each employer and real party in interest is required to pay a $500 registration fee upon filing the respective updated registration statements. The $500 registration fee covers the prior reporting period. Reminder notices are issued approximately 30 days prior to the deadline.

In addition to reporting changes in name, address, employer name, etc., an Updated Registration Statement has four types of information:

1. **Confirmation** of the continuing existence of each engagement described in the Initial Registration Statement;

2. A **list of the specific executive agency decisions** that the lobbyist sought to influence under the engagement during the period covered by the Updated Registration Statement;

3. A **statement of expenditures**; and

4. Details of any **financial transactions**.

The following sections explain in detail the individual reporting requirements for the executive agency lobbyist, the employer, and the real party in interest.

**Confirmation of Engagement**

**Executive Agency Lobbyist Confirmation**

The *Updated Registration Statement, Executive Agency Lobbyist* asks the lobbyist whether he/she will remain active for the employer/real party in interest. When answering "No," state the date of termination. If terminating for more than one employer, list each employer and the respective termination date.

If a lobbyist terminates during the middle of reporting period, the lobbyist is required to file a final Updated Registration Statement for that reporting period thru the date of termination along with the *Termination Notification.*
Employer/Real-Party Confirmation

If an employer/real party in interest lists at least one active executive agency lobbyist on the Updated Registration Statement, Employer of Executive Agency Lobbyist then the employer/real party is confirming their registration going forward into the next reporting period. When all lobbyists engaged by an employer or real party in interest terminate their registrations with the Commission, then the employer/real party in interest has effectively terminated its registration with the Commission. If the employer/real party terminates their registration in the middle of a reporting period, the employer/real party in interest must file a final Updated Registration Statement with the Commission and pay the $500 registration fee for the final reporting period.

List of Specific Executive Agency Decisions

The Updated Registration Statement requires the lobbyist, employer, and real party in interest to report the specific executive agency decisions the lobbyist attempted to influence on behalf of the employer/real party in interest during the reporting period.

Statement of Expenditures

Each Updated Registration Statement is required to contain a statement of expenditures if applicable. An executive agency lobbyist is required to file a separate statement of expenditures for each employer engaging him. Each employer or real party in interest is required to file only one statement of expenditures regardless of the number of executive agency lobbyists it engages. Those expenditures attributable to an employer or real party in interest are those that are paid directly by the company or paid by an individual on behalf of the company and the individual is not the registered executive agency lobbyist.

What is an Expenditure?

Expenditure means any of the following that is made to or for the benefit of an elected executive official, the secretary of a cabinet listed in KRS 12.250, an executive agency official, or a member of the staff of such officials.

1. A payment, distribution, loan, advance, deposit, reimbursement, or gift of money, real estate, or anything of value, including, but not limited to, food and beverages, entertainment, lodging, transportation, or honoraria;

2. A contract, promise, or agreement to make an expenditure; or

3. The purchase, sale, or gift of services or any other thing of value.
What is Not an Expenditure?

"Expenditure" does not include:

(1) A contribution, gift, or grant to a foundation or other charitable organization that is exempt from federal income taxation under subsection 501(c)(3) of the Internal Revenue Code;

(2) The purchase, sale, or gift of services or any other thing of value that is available to the general public on the same terms as it is available to the persons listed above;

(3) A payment, contribution, gift, purchase, or any other thing of value that is made to or on behalf of any elected executive official, the secretary of a cabinet listed in KRS 12.250, an executive agency official, or any member of the staff of any of the officials listed in this paragraph who works for a state agency for which the executive agency lobbyist is not registered to influence.

Expenditures do not include the employer's cost to lobby such as each lobbyist's compensation, travel, or other business expenses.

Statement of Financial Transactions

Also included in the Updated Registration Statement is a Statement of Financial Transactions. Financial transaction means a transaction or activity that is conducted or undertaken for profit and arises from the ownership, or the joint ownership, or part ownership in common of any real or personal property or any commercial or business enterprise of whatever form or nature between the following:

(1) An executive agency lobbyist, his employer, a real party in interest, or a member of the immediate family of the executive agency lobbyist or his employer or a real party in interest; and

(2) An elected executive official, the secretary of a cabinet listed in KRS 12.250, an executive agency official, or a member of the staff of such official.

**Effective:** July 15, 1996

**11A.211 Registration statements for executive agency lobbyists, their employers, and real parties in interest -- Fee -- Trust and agency account for commission operations -- Relationship of registration to state contracts.**

(1) Each executive agency lobbyist, employer, and real party in interest shall file with the commission within ten (10) days following the engagement of an executive agency lobbyist, an initial registration statement showing all of the following:

(a) The name, business address, and occupation of the executive agency lobbyist;

(b) The name and business address of the employer and of any real party in interest on whose behalf the executive agency lobbyist is acting, if it is different from the employer. However, if a trade association or other charitable or fraternal organization that is exempt from federal income taxation under Section 501(c) of the Internal Revenue Code is the employer, the statement need not list the names and addresses of every member of the association or organization, so long as the association or organization itself is listed;

(c) A brief description of the executive agency decision to which the engagement relates;

(d) The name of the executive agency or agencies to which the engagement relates; and

(e) Certification by the employer and executive agency lobbyist that the information contained in the registration statement is complete and accurate.

(2) In addition to the initial registration statement required by subsection (1) of this section, each executive agency lobbyist, employer, and real party in interest shall file with the commission, not later than the last day of July of each year, an updated registration statement that confirms the continuing existence of each engagement described in an initial registration statement and that lists the specific executive agency decisions the executive agency lobbyist sought to influence under the engagement during the period covered by the updated statement, and with it any statement of expenditures required to be filed by KRS 11A.216 and any details of financial transaction required to be filed by KRS 11A.221.

(3) If an executive agency lobbyist is engaged by more than one (1) employer, the executive agency lobbyist shall file a separate initial and updated registration statement for each engagement. If an employer engages more than one (1) executive agency lobbyist, the employer shall file only one (1) updated registration statement under subsection (2) of this section, which shall contain the information required by subsection (2) of this section regarding all executive agency lobbyists engaged by the employer.
(4) (a) A change in any information required by subsection (1)(a), (b), (c), (d), or (2) of this section shall be reflected in the next updated registration statement filed under subsection (2) of this section.

(b) Within thirty (30) days following the termination of an engagement, the executive agency lobbyist who was employed under the engagement shall file written notice of the termination with the commission.

(5) Each employer of one (1) or more executive agency lobbyists, and each real party in interest, shall pay a registration fee of five hundred dollars ($500) upon the filing of an updated registration statement. All fees collected by the commission under the provisions of this subsection shall be deposited in the State Treasury in a trust and agency fund account to the credit of the commission. These agency funds shall be used to supplement general fund appropriations for the operations of the commission and shall not lapse. No part of the trust and agency fund account shall revert to the general funds of this state.

(6) Upon registration pursuant to this section, an executive agency lobbyist shall be issued a card annually by the commission showing the executive agency lobbyist is registered. The registration card shall be valid from the date of its issuance through the thirty-first day of July of the following year.

(7) The commission shall review each registration statement filed with the commission under this section to determine if the statement contains all of the required information. If the commission determines the registration statement does not contain all of the required information or that an executive agency lobbyist, employer, or real party in interest has failed to file a registration statement, the commission shall send written notification of the deficiency by certified mail to the person who filed the registration statement or to the person who failed to file the registration statement regarding the failure. Any person so notified by the commission shall, not later than fifteen (15) days after receiving the notice, file a registration statement or an amended registration statement that includes all of the required information. If any person who receives a notice under this subsection fails to file a registration statement or an amended registration statement within the fifteen (15) day period, the commission may initiate an investigation of the person's failure to file. If the commission initiates an investigation pursuant to this section, the commission shall also notify each elected executive official and the secretary of each cabinet listed in KRS 12.250 of the pending investigation.

(8) In the biennial report published under KRS 11A.110(13), the commission shall, in the manner and form the commission determines, include a report containing statistical information on the registration statements filed under this section during the preceding biennium.

(9) If an employer who engages an executive agency lobbyist, or a real party in interest on whose behalf the executive agency lobbyist was engaged is the recipient of a contract, grant, lease, or other financial arrangement pursuant to which funds of the state or of an executive agency are distributed or allocated, the executive agency or any aggrieved party may consider the failure of the real party in interest, the employer, or the executive agency lobbyist to comply with this section as a breach of a material condition of the contract, grant, lease, or other financial arrangement.
(10) Executive agency officials may require certification from any person seeking the award of a contract, grant, lease, or financial arrangement that the person, his employer, and any real party in interest are in compliance with this section.

2. Expenditures shall be reported on the expenditure statement for the reporting period that includes the date on which the expenditure was made.

(3) (a) In addition to the information required by subsection (2)(b) of this section, a statement filed by a real party in interest or an employer shall show the total amount of expenditures during the period covered by the statement. (b) An employer or real party in interest shall not be required to show any expenditure on a statement filed under this subsection if the expenditure is reported on a statement filed under subsection (2)(a) or (b) of this section by an executive agency lobbyist engaged by the employer.

(4) Any statement required to be filed under this section shall be filed at the times specified in KRS 11A.211. Each statement shall cover expenditures made during the prior fiscal year.
(5) If it is impractical or impossible for an executive agency lobbyist, employer, or real party in interest to determine exact dollar amounts or values of expenditures, reporting of good faith estimates, based on reasonable accounting procedures, constitutes compliance with this section.

(6) Executive agency lobbyists, employers, and real parties in interest shall retain receipts or maintain records for all expenditures that are required to be reported pursuant to this section. These receipts or records shall be maintained for a period ending on the thirtieth day of June of the second fiscal year after the year in which the expenditure was made.

(6) A real party in interest shall not be required to file any statement under this section or to deliver a copy of the statement to an official or employee with whom or for whose benefit the transaction was made if the financial transaction to which the statement pertains is reported by an executive agency lobbyist who is acting on behalf of the real party in interest.
